

150-0.6 | Long reach pruner

Long reach rose pruning shears with a lightweight aluminium handle. Especially for picking roses. The blade is made of chrome-plated hardened steel and is therefore more rigid and resistant to rust. The handle is rotatable 180 degrees, and because of this you can cut branches in a hard to reach angle.

SKU:

ARS150-0.6

Length:

617 mm

Weight:

325 gram

EAN code:

4965280685193
