

185-1.5 | Lopper

Professional longreach loppers with lightweight aluminium handle. The knife is made of chrome-plated hardened steel and is therefore more rigid and resistant to rust. The lever mechanism ensures that thicker branches can be cut. The cutter is provided with a rubber shock absorber, which prevents injury to the arms and wrist. The lopper can easily be disassembled for maintenance.

SKU:

ARS185-1.5

Length:

1500 mm

Weight:

1550 gram

EAN code:

4965280683700
